

This Girl's Got a Boot!

After winning NFL's Punt, Pass and Kick (PPK) Tournament locally in Anchorage, Alaska, Julienne Harris, (Rush 98 Girls) she moved on to compete in the PPK Team Championship in Seattle, Washington, kicking over a combined 240 feet to win the 14 to 15 girls age division! With that accomplishment, Julienne was given the chance to kick an exhibition field goal in front of 70,000 attendees during half time at the Seattle Seahawks game on November 27th. What a great reminder of what you can accomplish with some dedication and hard work. Congratulations Julienne!
